### **ANTI COVID OBLIGATIONS AND RULES**

Only athletes in possession of the Covid-19 Green Certification to be shown at the withdrawal of the bib will be able to participate in the Event. In addition, athletes must certify: • that they are not subjected to quarantine measures against them; • the absence of contact with subjects who have tested positive for COVID-19. The attestation will take place through the compilation by each athlete of a self-declaration that will be kept within the terms provided for by the laws in force. Athletes must present themselves at the withdrawal of the bib with the documentation indicated above, duly completed and signed, on the occasion each athlete will be measured body temperature which must be below 37 ° 5. The correct compilation, signature and delivery of the self-declaration by the athlete are the necessary condition to start the race. It is mandatory for all those present to observe the obligations prescribed by the general legislation, i.e. observance of interpersonal distances, respect for the use of the mask where prescribed, compliance with the obligation to use the mask in the early stages of the race. The event will take place WITHOUT THE USE OF CHANGING ROOMS AND SHOWERS, there will be the possibility of using the toilets according to the procedures determined by current health legislation. The public and accompanying persons will not be admitted to the starting area of the race. Race start, refreshment and award management, bag deposit will be organized according to the procedures provided for in the TEMPORARY ORGANIZATIONAL PROTOCOL. For complete Regulation Anticovid Fidal, see: "Italy returns to run temporary organizational protocol - not Stadia" of 09/09/21. Any protocol updates will be applied according to the provisions.

### **START RACE**

According to FIDAL Protocol, in compliance with the rules of risk minimization, the procedure of separate departures for stages up to 500 athletes will be adopted. The athletes will be placed in special grids, distanced 1 meter from each other (mind the specific marks on the ground!) and will be able to access the starting area exclusively with the use of a mask.

The assignment to a specific grid will be determined on the basis of the crediting time to be indicated at the time of registration. In case of lack of crediting time, the assignment will follow the order of the registration time.

The entrance to the grid will be 30' before departure time. After 500 meters from the start, the athletes can remove the mask that can be thrown into containers arranged for this purpose.

At the end of the race the athlete will have to follow an obligatory exit path. Crossing this path he will have to wear the mask that will be delivered to him on arrival, return the microchip, and collect the refreshment bag.

### **STRICT COMPLIANCE WITH THE ABOVE STANDARDS IS RECOMMENDED**

### **IMAGE RIGHT**
